

Yamada America, Inc.  
955 E. Algonquin Road  
Arlington Heights, IL 60005

The best time to try a Yamada pump is now!

The Proof's in the Pump

FORM NO: BM0316

 **Yamada**<sup>®</sup>  
BREWERY PUMPS

The Yamada® Corporation has been a leading producer of industrial equipment since 1905, and of fluid handling products for over 65 years. As a leader in pumping technology, Yamada is known in many industries worldwide for its innovative products, superior quality, and unmatched reliability. An impressive history of product design and engineered solutions establishes Yamada as a forerunner in pumping technology. With a vast array of pump materials and sizes, Yamada has the right pump for your application. Whether it's circulating sanitizer to pumping out waste yeast, Yamada can handle your most demanding application. Like we always say, 'The Proof's in the Pump'.
