PRODUCT SUITABILITY.

Many states and localities have codes and regulations governing sales, construction, installation, and/or use of products for certain purposes, which may vary from those in neighboring areas. Yamada cannot guarantee compliance, and cannot be responsible for how the product is installed or used. Before purchase and use of a product, please review the product application, national and local codes and regulations to be sure that the product, installation, and use will comply with them.

PROMPT DISPOSITION.

For any product believed to be defective, first write or call dealer from whom the product was purchased.

The dealer will give additional directions. If the dealer cannot correct the defect, write to Yamada, citing dealer's name, address, date and number of dealer's invoice, and describe the nature of the defect.

Title and risk of loss pass to buyer on delivery to common carrier. If a product was damaged in transit to you, file claim with the carrier.
